

MOMINA SHAHZAD

0346-0534386 | mahamfatima85226@gmail.com | Kahuta, Rawalpindi

CAREER OBJECTIVE

Motivated Computer Engineering student (6th semester, KICSIT Kahuta) seeking opportunities to apply technical knowledge and practical skills in a professional environment. Committed to continuous learning and contributing effectively to innovative technology-driven projects.

EDUCATION

Institute of Space Technology, KICSIT, Kahuta Campus | Jan 2023 – Jul 2027 Bachelor of Science in Computer Engineering

Kahuta Institute of Technology Naugran Kahuta, District Rawalpindi Intermediate in Computer Science

COURSES & CERTIFICATIONS

- Office Automation — 3-Month Professional Course covering MS Word, MS Excel, MS PowerPoint, Email Management, and basic computer operations.

TECHNICAL SKILLS

Programming Languages: C / C++, Python (Fundamentals), HTML & CSS (Web Basics)

Office & Productivity Tools: Microsoft Word, Microsoft Excel, Microsoft PowerPoint

ACADEMIC PROJECTS

Bus Reservation System

- A web-based bus booking system that allows users to search buses, reserve seats, and manage bookings efficiently.

YOLOv8-Based Object Detection System

- Developed a computer vision application using YOLOv8 to detect and classify objects in images with high accuracy. Performed image preprocessing, model training/testing, and visualized detection results using Python and deep learning techniques.

Online Bus Reservation System | HTML, CSS, JavaScript, Python, Flask, SQL

- Developed a web-based bus reservation system with frontend and database integration.

AI-Based Obstacle Avoidance Car | Embedded Systems, ESP32-CAM

- Built an autonomous vehicle capable of detecting and avoiding obstacles in real time.

Automatic Street Light System | Embedded Systems, PIC18F452

- Developed a system that automatically switches street lights ON and OFF.

Management System | C++, Object-Oriented Programming (OOP)

- Simulates banking operations (accounts, transactions).
- Demonstrates understanding of real banking workflows.

Tic-Tac-Toe Game | HTML, CSS, JavaScript

- Developed an interactive web-based game with game logic and a responsive UI

LANGUAGES

Urdu — Native / Mother Tongue

English — Proficient (Reading, Writing & Speaking)

PERSONAL ATTRIBUTES

- Hardworking and self-motivated with a passion for technology

- Quick learner with the ability to adapt to new environments
- Responsible and punctual with a strong work ethic
- Goal-oriented with a commitment to academic and professional excellence
